To whomever it may concern,

On January 10, 2019, we received follow up request for a California Public Records Act Request you had originally submitted on December 27, 2019. At that time this request was assigned request number # 19-16. Your letter requested:

The number of License Plate Readers owned by this department or agency, including the manufacturer and whether a data storage package has been provided by the manufacturer.

Any documents or correspondence during the period encompassing this request regarding possible or planned acquisition of License Plate Readers.

Any existing or proposed usage policies regarding the use of License Plate Readers, including protocols, training documents, data storage procedures and prohibited activities.

Any current or past litigation involving or referencing this department or agency involving the use of License Plate Readers.

Your request is still being reviewed for processing, at this time we are experiencing a much higher number of requests and we ask for your patience until we can provide you with answers.

Should you have further questions, please contact the numbers provided below.
